और सौंदर्य दोनों ही कमजोर हैं।

# Chairman's Desk

When Aristotle was asked to count his contribution to the society, he stared at Alexander the Great. The quest to produce better is always appreciated in civilized society. Our vision is based on hard work, open communication, a strong emphasis on teamwork and a high level of responsibility. This visionary culture allows and emphasizes our wards to not only adopt the present day challenge but also accept individual responsibility to society and the nation at large. Diksha Industrial Training Institute (DIKSHA-ITI) Varanasi(UP), has set specific objectives and activity plans for achieving excellence in all spheres of technical and Industrial education. The service of the institution in creating mature, professionally equipped and service oriented graduates is commendable. We strongly believe in academic excellence achieved through high standards in teaching and discipline. We believe, "Whenever you go, no matter what the weather, always bring your own sunshine!" At DIKSHA-ITI, we don't just teach. we create healthy and competent individuals out of students.

*A place of quality,  
a place to grow,  
from hope to action  
through knowledge*
